Perfect! Yes, and if you have any questions, please let me know. I agreed with both you and Mike B. in identifying a separate consultation paragraph, and then just made a brief suggestion/effort to compile some of those comments throughout into that section.

Thanks! - Kim

Hi Kimi -- I added my comments to Mike's document. I went ahead and attempted a tribal consultation section, with notes that additional information is necessary.

Thanks! -- I'm happy to review again. - Kim

Hi Kimi – Thanks for sending this. I have a few suggestions in the paragraph on historic properties, and one in the tribal consultation section.

Hello -

The Dewey-Burdock EJ analysis is attached. If you could please review your respective sections, that would much appreciated! I've tried to flag sections with your name in comment bubbles in the margin, but please don't feel confined to those areas! ☺ It needs quite a bit of work and the EJ program has some conflicting language which makes it more complex. I inserted my comments after receiving theirs and will send it back to them eventually so they can finalize their policy decisions.

In the meantime, if it's at all possible to review and comment by the end of the week, that would be great. If not, Monday would work as well.

Thanks!! Kimi
